The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

**SUBJECT: Approve Amended Bylaws
First, Fourth, and Fifth Supervisorial Districts Affected
(3 Votes)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve, as stipulated under California Water Code §35305, the Bylaws of the Walnut Valley Water District ("District") as amended by unanimous (5-0) vote of its Board of Directors at an adjourned regular meeting held July 23, 2008. There is no fiscal impact. Subject to approval of the Board of Supervisors and filing with the Los Angeles County Recorder, the effective date of these Bylaws is December 15, 2008.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The District's Bylaws were amended to allow the option to designate officers in addition to the President and Vice President (Section 3 and 6), to stipulate that the General Manager and/or the Assistant General Manager shall attend all committee meetings (Section 9), and to simplify the process for the restructuring of the District's committees and duties (Section 9). A copy of the Bylaws with the amendments identified in red text is attached to this request.

FISCAL IMPACT/FINANCING

Not Applicable

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

California Water Code §35305 states that, "The by-laws may also be amended by a four-fifths vote of the directors and approval of the board of supervisors of the principal county of the district." The bylaws, together with the approval of the board of supervisors, shall then be filed with the County Recorder. Pursuant to the provisions of California Water Code § 35302, after receiving approval of your Board, the District's Board of Directors will adopt the revised Bylaws, in the form so approved, by resolution, and, pursuant to California Water Code § 35306, will then certify and record the revised Bylaws.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

No negative impact on current services. The modifications to permit flexibility in designating officers and setting committee structure and duties are intended to establish a more efficient reorganization process for the District. These modifications to the Bylaws will allow the Board to make adjustments to officer assignments and committee structure without the need to amend the Bylaws. Additionally, stipulating that the General Manager and/or the Assistant General Manager shall attend all committee meetings will enable the committee process to continue without the need to reschedule should the General Manager be unavailable. These changes were discussed at a public meeting on July 23, 2008, which was duly posted and noticed. No public comments were received in this regard and Board meetings are currently being held at 6:00 p.m. to encourage public participation.

CONCLUSION

1. Return the adopted stamped copy to:

Michael Holmes
General Manager
Walnut Valley Water District
271 S. Brea Canyon Road

2. Two certified copies of the Board Order or resolution requested.

Respectfully submitted,
